He is a very well experienced spiritual surgeon and a deliverance minister .He has written a lot of books on deliverance and infertility He is searching for sponsors for the research he is doing on deliverance and spiritual causes of infertility.He has already put in over over 28000 hours on these research and hopefully he will be publishing this year.He can boldly say that there are no books like what he will be publishing.He has done the most extensive research on marine spirits than any other writer same on family strongholds.He is well experienced in many disciplines.
He has worked as senior social worker in a church residential adult and child -care program providing services to their adults and children.You can see his blog:profvicronnie.blogspot.com
